

Online Investing & Refund Information

Making an Investment Online

The amounts indicated are merely guidelines and you may invest more or less than the suggested amounts. You may refuse to participate without reprisal and the National Association of REALTORS®, the Georgia Association of REALTORS®, or any local board within Georgia will not favor or disfavor any member because of the amount you elect to invest or if you choose not to invest.

Please double-check your profile information and ensure you are the member in the information contained within any auto-populated fields. Once you have filled in your investment information, click 'Process Investment' to continue. Transmission of your GARPAC investment and credit card information may take a few minutes. Please do not click 'Process Investment' more than once.

Your investment will appear as "*Purchase Realtor Assoc Chicago*" on your credit card statement.

Requesting a Refund or Credit

Under state law, GARPAC is not required to refund political contributions and does not grant refunds based solely on a member's reconsideration. However, in specific credit card situations we will consider a request for a refund or partial credit. If you have incorrectly entered your desired investment amount or if you believe your credit card was inadvertently billed twice, please contact us with the following information:

- Your Name
- Your NAR Member ID Number
- Email address used to process the investment
- Amount of investment
- Reason you are requesting a refund/credit
- Amount requested to be refunded/credited

GARPAC is required by law to report all investments within specified time limits. Likewise, all refunds issued by GARPAC must also be reported within the appropriate timeframe. Once your refund/credit has been processed, you will receive a confirmation of the refund/credit via the email address you used when submitting the initial investment.

Campaign finance reports for Georgia RPAC are filed with the Georgia Government Transparency & Campaign Finance Commission and are viewable online at <http://ethics.ga.gov/>.
